

REBECCA KENNY

- Rebecca has worked in the solar industry since 2013, gaining experience with a mid-sized installer and two of the market's top solar panel manufacturers.
- She is passionate about helping homeowners integrate solar and battery systems with transparency and integrity.
- Rebecca has received multiple awards throughout her career, but she finds the most meaning in the referrals she receives from satisfied customers.
- A Bay Area native, she is proud to be part of the Cobalt Power Systems, Inc. team.
- Outside of work, Rebecca enjoys hiking, biking, reading, theater, and travel—especially spending time at the beach.
- She is also active in her community and cherishes time with family and friends.
